### Welcome Back

A warm welcome back to school for the summer term to all of our families. The children should be allowed onto the field and the little woodland area for playtimes from next week which will be hugely appreciated by the children. I will talk to the children on Monday about how to play in these spaces safely and with kindness.

### Wild Run

We are very excited about the **Wild Run**, which will take place in **three weeks'** time, on Saturday 11th May! Well done to everyone who helped raise funds over the Easter holidays. We've now got over the £2000 mark, which is fantastic! A special mention to Year R, who have raised £751 so far - well done! Please keep the date free. It will be brilliant to see as many children there as possible, and remember, the run is open to everyone - parents, carers, siblings, family members - anyone who wants to take part! It is a 10am arrival, then the Sports Leaders will lead us in a warm up, before we set off at 10:30am. Please keep trying to get donations - everything will help towards building our new forest school lodge.

This is the link with the overall total, but please do donate on class pages if possible. Thank you!

### Library Books

It has been lovely to hear some children read this week and see the progress that individuals are making. If your child reads regularly then their progress in all subjects will be stronger. To support children to read regularly we have well stocked and well used library areas. The children are keen to read and borrow many books. Please can I ask families to have a look for any school books that might be at home that are not being read and send them back into school. This will mean that there is always a good choice of books for every child.

### **Year 5 Netball – Tillingbourne**

On Thursday Year 5 went to Tillingbourne and played a netball match. It was a very exciting game, with so many fantastic netball skills. The girls showed excellent passing, intercepting, working as a team and lots of great shooting too! They managed to pull it back in the last 5 minutes from being 7-3 down to ending with a 7-7 draw!

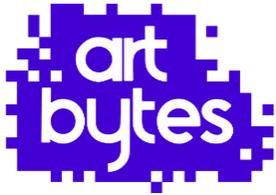

### **KS2 Football - Tillingbourne**

On Tuesday evening, over 40 of our KS2 children visited Tillingbourne to play in four football friendlies. It was amazing to see so many of our children playing, showing such great teamwork, skill and displaying all the school values when working together. We recorded two victories, the stand-out being an 11-1 win for the Year 3 team! Well done to everyone who signed up and represented WSG so brilliantly!

### **Organ Drop-in Day**

On Saturday 20th April 10am - 2pm, Rob (the organist at Shamley Green Church) is holding a drop-in session where families can come and have a closer look at the organ and even try playing it! Rob will also be taking music requests - which of your favourite pieces can he play for you?! Rob will also be running an exciting competition and there will be refreshments available

Firstly, a massive congratulation to all the Year 5 children who participated in the Art Bytes competition this year. The standard of artwork was absolutely fantastic and I felt very excited and proud to submit your work.

The panel of experts have now chosen their **top three** pieces from WSG, which can be revealed here... <https://artbytes.co.uk/browse-schools/>

Click on the link. On the 'browse schools' page, click on 'W' and select Wonersh and Shamley Green school. The three selected pieces are displayed at the top, along with everyone else's entries underneath.

Please take this opportunity to look at all the fabulous pieces created by Year 5 and also to **VOTE** for your favourite piece.

The process is easy. Simply click 'Vote Now' on the picture of your choice. Art Bytes will ask for your email address and send you a confirmation email. You confirm your choice and your vote will be counted. The artwork with the most votes will then be displayed nationally in the Art Bytes virtual art gallery and entered into a prize draw.

Please encourage lots of friends and family to also cast their vote by sharing the link above. Whilst you can only vote once per school, there is no limit as to how many other schools you can vote for, so feel free to browse through the other school pieces, adding your votes to their pages too.

The closing date is **Tuesday 30<sup>th</sup> April**, so please get voting!

With congratulations and thanks from Mrs Elsmore (Art Lead)

Best Wishes

## A thank you from St John's Church, Womersh

Dear Parents,

David and I wanted to say a huge thank you for your support of our Easter Garden Workshop. We all had a wonderful day with the children and their gardens were so imaginative and carefully created. The display in St. John's church was amazing and lots of people commented on how beautiful they were.

As we move into the new term, we wanted to let you know that we are re-starting All Age Services! These will be 'light touch', interactive and child friendly. The first is on 2<sup>nd</sup> June, 10am and they'll be the first Sunday of every month. In the meantime, Kids Church runs weekly from 10am at The Vicarage, currently with children aged 2-8. We'd love to welcome you and your family, too.

## INTRODUCING OUR NEW Twelve15 SPRING/SUMMER MENU

**80% OF OUR MENU IS MADE FROM SCRATCH USING FRESH INGREDIENTS**

All our menus adhere to the Government Food Standards and are developed with little ones in mind. We have over 70 years experience in providing school meals.

Our meat is Red Tractor approved and our fish carries the MSC accreditation.

Our Primary school kitchens are nut free. We have a range of Special Diet menus and cater for the 14 key allergens identified by the Food Standards Agency.

We reduce salt and sugar whenever possible in our recipes, for example our sponge puddings contain 50% fruit - the natural sugars replace some refined sugar.
